# **MAG's 104th Summer Salon Judge**

Rachel Durfee, MAG's 104th Annual Salon Judge, received her Master of Fine Arts degree from the University of Wisconsin Madison and her Bachelor of Fine Arts degree from Cornell University. Her richly colored etchings, woodcuts and paper constructions symbolically explore how we can thrive in the gap between life as it is and life as it ought to be. In her work, the paradoxical architecture of existence is often populated with disappointment and resentment but also hope and purpose - with a dash of wit.
